## MULTIPLE WB I-4 TRAFFIC PACING OPERATIONS SCHEDULED JUNE 23-25

Multiple traffic pacing operations are scheduled to occur between midnight and 5 a.m. the mornings of Tuesday, June 23, Wednesday, June 24, and Thursday, June 25 on westbound Interstate 4 (I-4) from U.S. 17-92 to E.E. Williamson Road. During the operation, westbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes an interchange, the westbound entrance ramp will be reopened to allow motorists to enter I-4 and join the slow roll. The traffic pacing operation and temporary ramp closures of westbound I-4 entrance ramps create a 30-minute window for crews to set bridge girders. Lane closures on westbound I-4 may occur before, during and after the slow roll.

1	U.S. 17-92
