## EB I-4 TRAFFIC PACING OPERATIONS SCHEDULED OCTOBER 7-9 AND 12-16

Traffic pacing operations on eastbound Interstate 4 (I-4) from Princeton Street to E.E. Williamson Road are scheduled to occur between midnight and 5 a.m. the mornings of Wednesday, October 7, through Friday, October 9, and on Monday, October 12, through Friday, October 16. During the operation, eastbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes an interchange, the eastbound entrance ramp will be reopened to allow motorists to enter I-4 and join the slow roll. The traffic pacing operation and temporary ramp closures of eastbound I-4 entrance ramps create a window for crews to demolish an old bridge deck. Traffic pacing operations also are occurring on westbound I-4 in the same time frame. Please see reverse for details.
