STATE ROAD 417 TO WESTBOUND I-4 COLLECTOR-DISTRIBUTOR ROAD CLOSING NIGHTLY AUGUST 15-16

The Florida Department of Transportation (FDOT) is closing the westbound Interstate 4 (I-4) collector-distributor (C-D) road from State Road (S.R.) 417 the nights of August 15 and 16. The road will close as soon as 10 p.m. each night and will reopen by 6 a.m. the mornings of August 16 and 17. C-D roads are extra lanes between interstates and lower-speed local roads. They provide access to and from the interstate and help motorists transition between lower and higher speeds. The closure is necessary for the milling and resurfacing of the road.

1. Accessing westbound I-4 from S.R. 417:

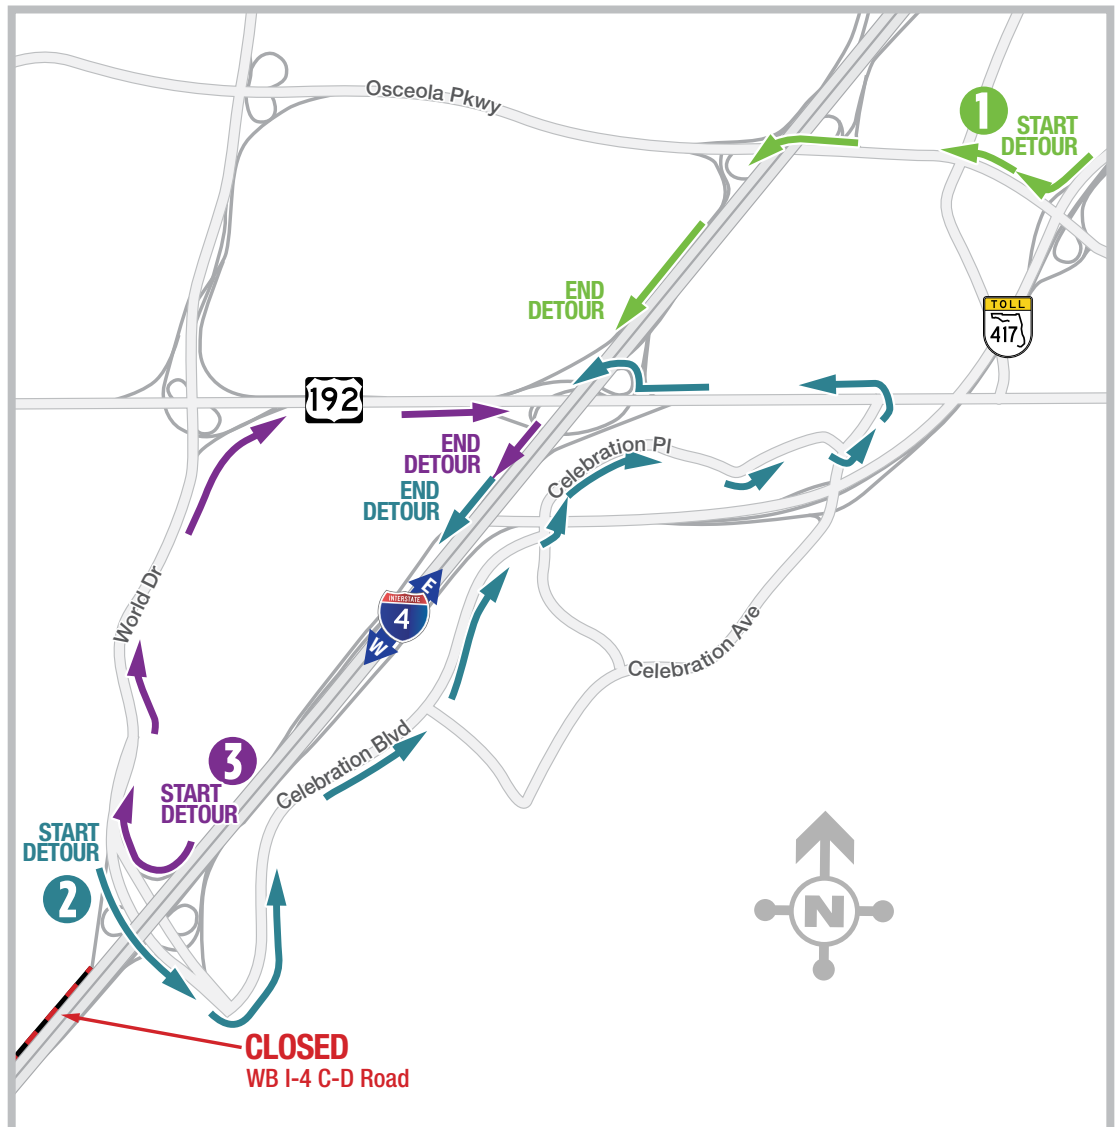

- Use Exit 3 to westbound Osceola Parkway
- Follow signs to westbound I-4

2. Accessing westbound I-4 from World Drive:

- Continue southbound on World Drive
- Turn left onto Celebration Boulevard
- Turn left onto Celebration Place
- Turn left to stay on Celebration Place and follow signs to turn left onto westbound U.S. 192
- Keep right and follow signs to westbound I-4

3. Traveling westbound on the C-D road:

- Use the right-hand exit to northbound World Drive
- Keep right and follow signs to turn onto eastbound U.S. 192
- Follow signs to westbound I-4

Closures are subject to change. Construction progress, roadway conditions and weather may require schedule adjustments. Please check fdot.tips/alertsmap for the most up-to-date information.
