Subject: "Beyond I-4 Ultimate" Project Development and Environment (PD&E) Reevaluation Study
From the Beachline Expressway/State Road (SR) 528 to Kirkman Road/SR 435
Orange County
Financial Project ID Number: 432100-1-22-01
Federal Aid Project Number: 0041-227-I

Dear Property Owner/Interested Person:

On behalf of the Florida Department of Transportation (FDOT), District Five, I invite you to attend an alternatives public meeting for the "Beyond I-4 Ultimate" PD&E Study. This study focuses on the concept of adding express lanes on I-4, from US 27 to Kirkman Road/State Road (SR) 435 to the west, and from SR 434 to SR 472 to the east; a distance of approximately 50 miles.

FDOT is conducting this PD&E study to expand the limits of the I-4 Ultimate project. As you may already know, the I-4 Ultimate construction is scheduled to begin in fall/winter 2014. It will reconstruct the interstate as well as add four express lanes between Kirkman Road/SR 435 in Orange County and SR 434 in Seminole County.

This upcoming meeting focuses on the segment of I-4 from **the Beachline Expressway/SR 528 to Kirkman Road/SR 435** in Orange County and provides interested persons an opportunity to express their views concerning the location, conceptual design, and social, economic, and environmental effects of the proposed improvements. The public workshop is scheduled for Thursday, January 30, 2014, from 5:30 p.m. to 7:30 p.m. at The DoubleTree Hotel located at 10100 International Drive, Orlando, 32821. The meeting will be an open-house, with display boards and an automated presentation shown from 5:30 p.m. to 7:30 p.m. FDOT staff and project team representatives will be available to answer questions and provide information as well. Additional information about the study may be found on the project website at: www.i4express.com.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting is asked to advise the agency at least 7 days before the meeting by contacting: Colleen Jarrell, by telephone at (800) 889-8237, email at cjarrell@hntb.com, or by mail at 610 Crescent Executive Court, Suite 400, Lake Mary, Florida 32746. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (voice).

For additional information concerning the project please contact, Beata Stys-Palasz, FDOT Project Manager, at 719 South Woodland Boulevard, DeLand, Florida 32720, by phone (386) 943-5418, or by email to beata.stys-palasz@dot.state.fl.us. A project location map and a map to the public meeting location is attached for your convenience.

Sincerely,

A handwritten signature in blue ink that reads "Beata Stys-Palasz". The signature is written in a cursive, flowing style.

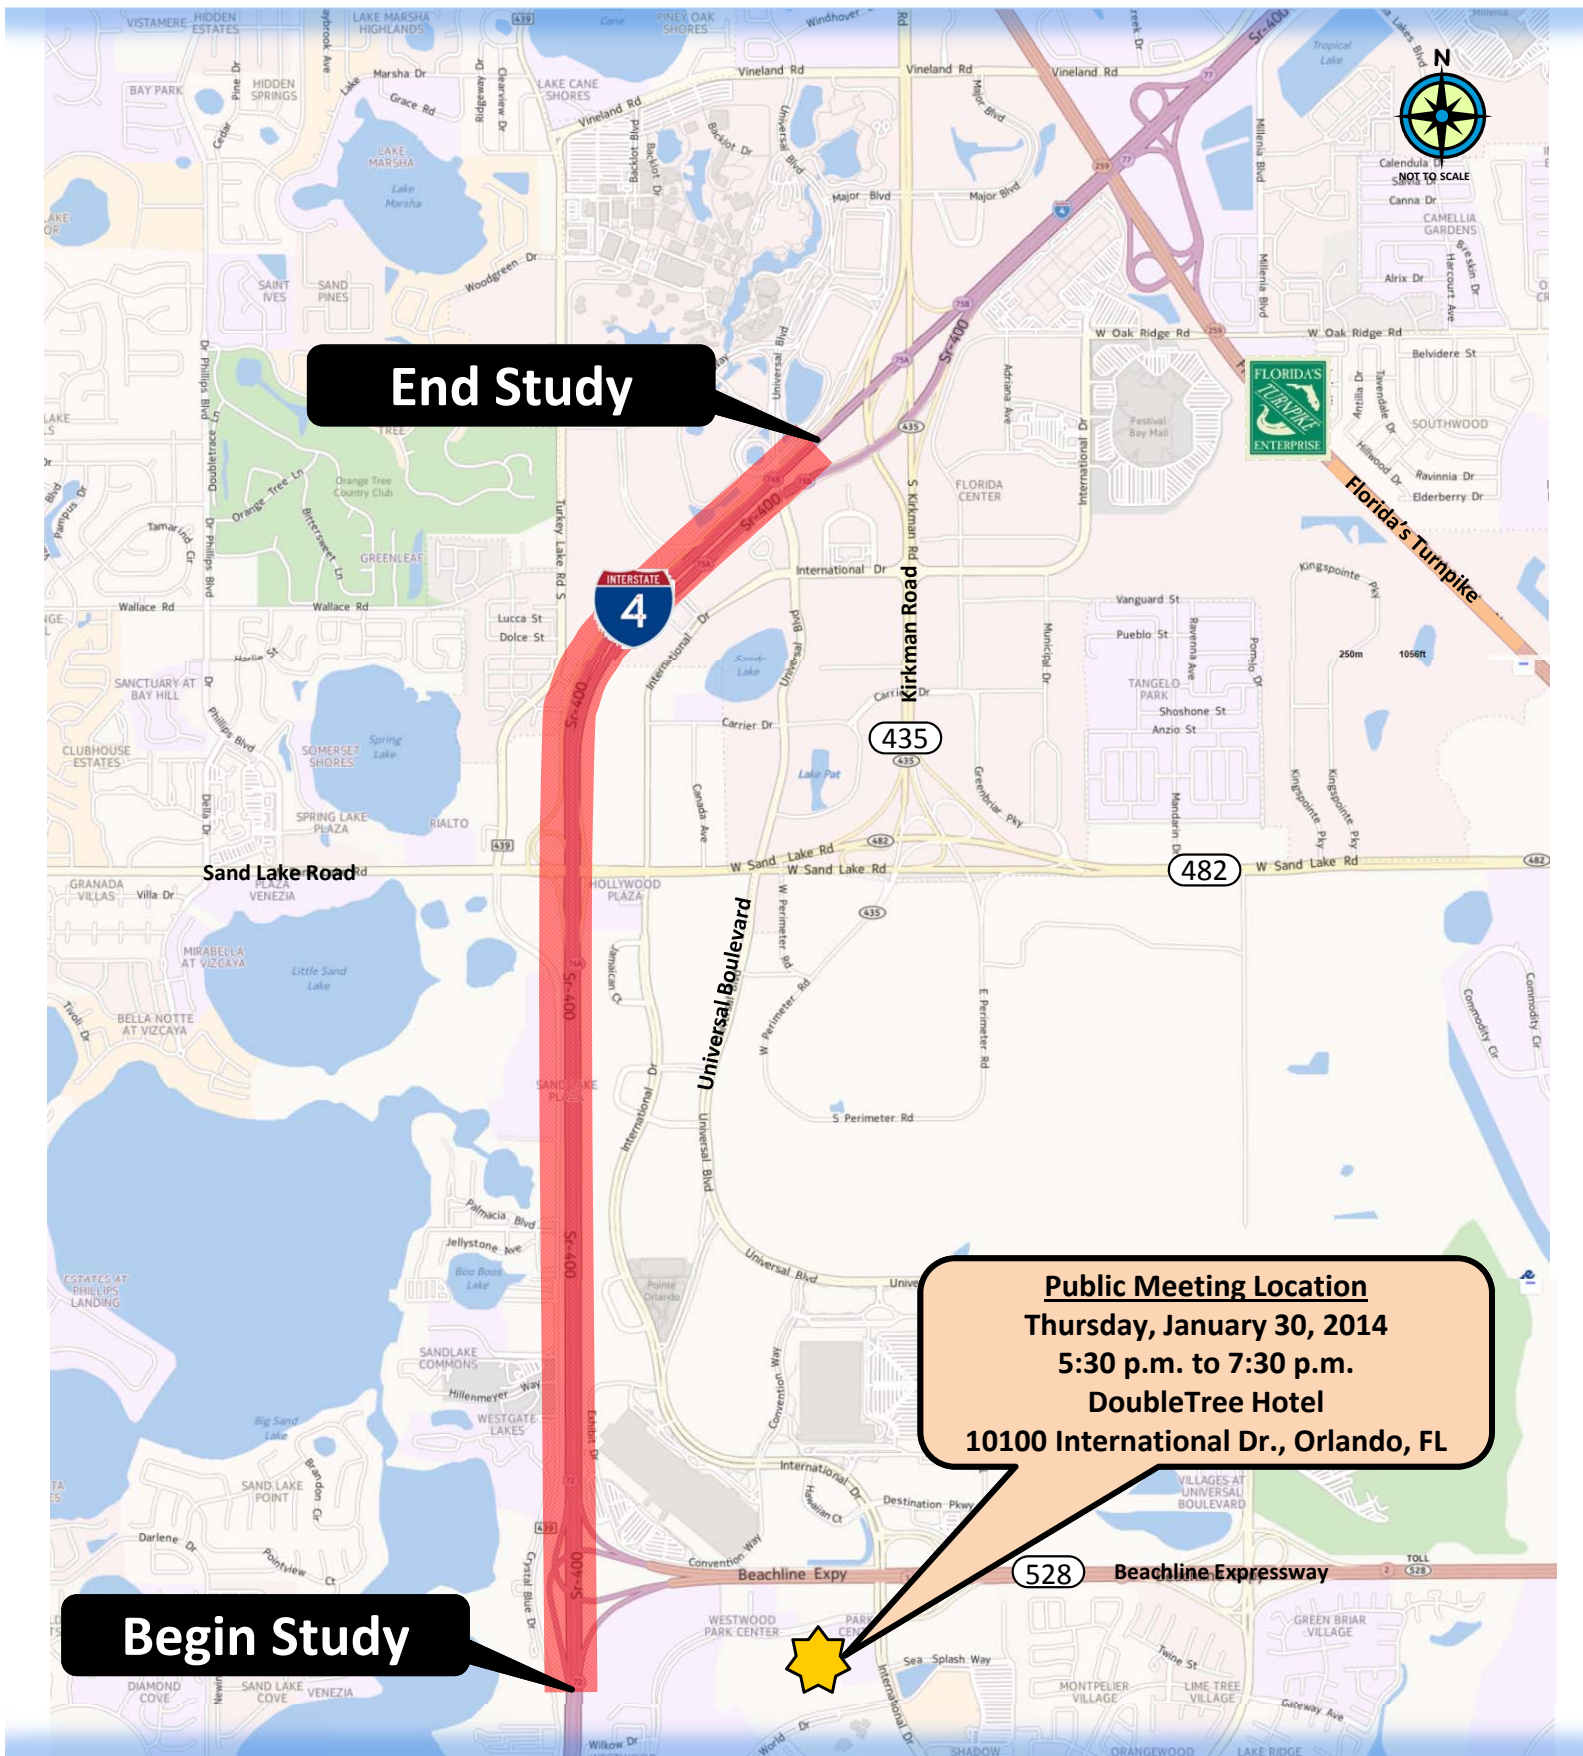

Beata Stys-Palasz, P.E.
FDOT District Five Project Manager
