## “I-4 BEYOND the ULTIMATE” PD&E REEVALUATION STUDY FROM POLK COUNTY TO SR 528 (BEACHLINE EXPRESSWAY)

### YOU'RE INVITED

An alternative's meeting is being held to share the results of the alternative analysis with area residents, business owners, travelers, other interested parties and stakeholders and to provide the opportunity for them to identify issues, areas of concern and share comments about the alternatives. **This meeting will focus on the segment of Interstate 4 (I-4) from Polk County to SR 528 (Beachline Expressway) in Osceola and Orange Counties.** The meeting is scheduled for Tuesday, June 17, 2014 from 5:30 p.m. to 7:30 p.m. at the Radisson Resort Orlando-Celebration located at 2900 Parkway Boulevard, Kissimmee, FL 34747. The meeting will be an open-house, with display boards and an automated presentation shown from 5:30 p.m. to 7:30 p.m. FDOT staff and project team representatives will be available to answer questions and provide information as well. Additional information about the study may be found on the project website at: [www.i4express.com](http://www.i4express.com).

### PROJECT INFORMATION

The Florida Department of Transportation is conducting the “I-4 Beyond the Ultimate” Project Development & Environment (PD&E) Reevaluation Study. This study is a reevaluation of PD&E studies that were previously done 12 to 15 years ago. The section from State Road 435 (Kirkman Road) to State Road 434 in Orange and Seminole Counties received approval from the Federal Highway Administration and construction will begin later this year. This segment is referred to as the I-4 Ultimate Section and will be reconstructed to include the addition of express lanes.

FDOT is updating the previously approved documents to extend the express lanes beyond the I-4 Ultimate section, from US 27 in Polk County to SR 435 (Kirkman Road) in Orange County and from SR 434 in Seminole County to SR 472 in Volusia County. These 40 miles of I-4 have been further broken down into 5 segments shown below.

- Segment 1: From CR 532 to the Beachline Expressway (SR 528)
- Segment 2: From the Beachline Expressway (SR 528) to Kirkman Road (SR 435)
- Segment 3: From East of SR 434 to East of US 17/92
- Segment 4: From US 17/92 to SR 472
- Segment 5: US 27 to CR 532
