## IMPROVEMENTS TO INTERSTATE 4 (I-4) IN SEMINOLE COUNTY

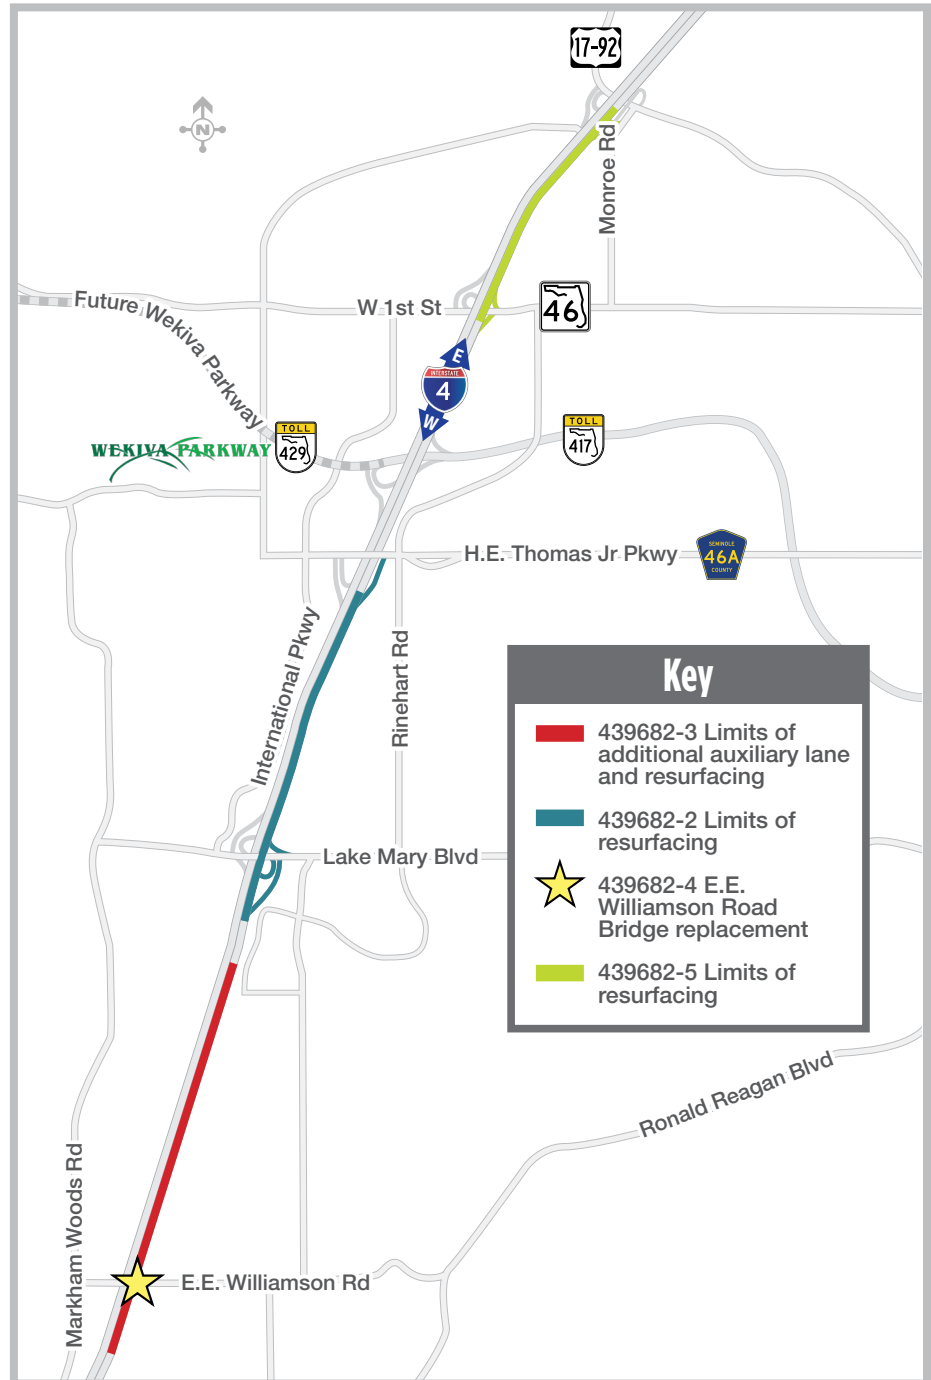

FINANCIAL IDs: 439682-2, -3, -4, -5

The Florida Department of Transportation (FDOT) is planning improvement projects to I-4 in Seminole County that will help keep traffic flowing more smoothly and safely. The projects include adding an auxiliary lane and resurfacing eastbound I-4 from the I-4 Ultimate project to west of Lake Mary Boulevard and reconstructing the E.E. Williamson Road overpass (see reverse side for more information about the overpass). It also includes resurfacing eastbound I-4 from west of Lake Mary Boulevard to County Road 46A and State Road 46 to the Volusia County line.

- » These projects will help accommodate traffic from the eastbound I-4 Ultimate Express Lanes, which is scheduled to be completed in 2021, as well as to extend the life of the existing pavement on I-4.
- » Construction is scheduled to begin late 2019.
- » During construction, lane closures on I-4 will be limited to overnight hours between 8:30 p.m. and 8 a.m.

Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact David Parks, public communication coordinator, at (844) 858-4636, or [davidparks@i4ultimate.com](mailto:davidparks@i4ultimate.com). If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1 (800) 955-8771 (TDD) or 1 (800) 955-8770 (Voice).

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator at [Jennifer.Smith2@dot.state.fl.us](mailto:Jennifer.Smith2@dot.state.fl.us).

## E.E. WILLIAMSON ROAD BRIDGE REPLACEMENT

FINANCIAL ID: 439682-4

The widening of I-4 — both for this project and the final I-4 Beyond the Ultimate Configuration — requires FDOT to rebuild the E.E. Williamson Road overpass. The overpass will be constructed in phases to maintain both eastbound and westbound access.

- » The bridge will be widened to include a 6-foot wide sidewalk on the eastbound side of E.E. Williamson Road and a 10-foot wide trail on the westbound side.
- » Both directions of E.E. Williamson Road will include 6-foot-4-inch bike lanes.
- » Construction is scheduled to begin in late 2019.
- » During construction, lane closures on E.E. Williamson Road will occur overnight between 8 p.m. and 6:30 a.m.

### CROSS SECTION OF THE NEW E.E. WILLIAMSON ROAD BRIDGE OVER INTERSTATE 4 (I-4)

Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact David Parks, public communication coordinator, at (844) 858-4636, or [davidparks@i4ultimate.com](mailto:davidparks@i4ultimate.com).
