The Florida Department of Transportation (FDOT) is making improvements to Interstate 4 (I-4) in Seminole County as part of the I-4 Beyond the Ultimate projects. These construction projects will help keep traffic flowing smoothly and safely in the area, and will lay the groundwork for future improvements. The projects include reconstructing the E.E. Williamson Road bridge over I-4, adding an auxiliary lane on eastbound I-4 from the end of the I-4 Ultimate project to Lake Mary Boulevard, resurfacing eastbound I-4 from the end of the I-4 Ultimate project to County Road 46A, and from State Road 46 to east of U.S. 17/92, and resurfacing westbound I-4 from Lake Mary Boulevard to east of U.S. 17/92.

Learn more about these construction projects at an informational open house on Wednesday, October 23, from 5 p.m. to 7 p.m. at the Lake Mary Events Center.

Signs will guide you to the meeting location.
