

SOUND BARRIER CONSTRUCTION BETWEEN INTERSTATE 4 (I-4) AND PINE BAY DRIVE

FINANCIAL ID: 439682-3-52-01

Construction of the 20-foot-tall, ground-mounted sound barrier is anticipated to begin in early 2020. Construction crews are currently clearing the area to the east of the eastbound I-4 travel lanes between E.E. Williamson Road and Lake Mary Boulevard to prepare the ground for the new eastbound I-4 auxiliary lane and future sound barrier.
