9 a.m. – 12 p.m. (Registration begins at 8 a.m.)

The Interstate 4 (I-4) and Sand Lake Road (State Road (S.R.) 482) Industry Forum provides an opportunity for design-build teams, including contractors, subcontractors, and design consultants, to learn more about the elements and considerations of this interchange project. This project also includes an 8-mile extension of a single westbound I-4 managed lane from west of S.R. 536 to the I-4 Ultimate project and widening of the westbound I-4 ramp to eastbound Beachline Expressway (S.R. 528). Attendance is not mandatory but is recommended for firms considering bidding on the project. Advance registration is required by filling out the online form at i4Beyond.com/industry.

Following the industry forum, design-build teams are invited to meet one-on-one with the project Technical Review Committee and Florida Department of Transportation (FDOT) representatives from the Support Services Program. The one-on-one meetings will be held following the week of August 16 at the FDOT District Five Office, located at 719 S. Woodland Blvd., DeLand, FL. Maximum meeting duration will be 30 minutes. Meetings must be prescheduled. To request a marketing meeting with the Technical Review Committee and the ATC Chair please contact Chale Fischer at Chale.Fischer@dot.state.fl.us or 386-943-5232. Please schedule one meeting per team. Meetings will be in person with a Microsoft Office TEAMS virtual component.

Current documents relating to the project will be available at i4Beyond.com/industry. Comments regarding draft documentation may be provided at the industry forum one-on-one meetings. Additional comments following the industry forum may be emailed to Todd Helton, P.E., FDOT Project Manager, at Todd.Helton@dot.state.fl.us.
