POSTPONED

The Interstate 4 (I-4) and Sand Lake Road (State Road (S.R.) 482) Industry Forum has been temporarily postponed.

FDOT is rescheduling the August 13 forum to better accommodate industry partners and to incorporate new project information. Please stay tuned to **i4Beyond.com/industry** for updates. If you previously registered for the industry forum, a notification of when a new date is selected will be sent to the email address you provided.

As a result of the industry forum postponement, marketing meetings originally set for the week of August 16 will be rescheduled once a new date for the industry forum is selected. If you need further assistance, please contact Chale Fischer at **Chale.Fischer@dot.state.fl.us**. Please schedule one meeting per team. Meetings will be in person with a Microsoft Office TEAMS virtual component.

Current documents relating to the project are available at **i4Beyond.com/industry**. Comments regarding draft documentation may be provided at the industry forum one-on-one meetings. Additional comments following the industry forum may be emailed to Todd Helton, P.E., FDOT Project Manager, at **Todd.Helton@dot.state.fl.us**.
