Dear Government Official:

The purpose of these projects is to provide operational and safety improvements to the I-4 corridor in southern Orange County.

Additional information is available in the attached project information handouts. The public meeting is being held to present information and receive community feedback.

The Department is offering multiple ways for the community to participate in the meeting. All participants, regardless of which platform they choose, will participate in the same live meeting.

- **Virtual Option:** Interested persons may join the Virtual Public Meeting (VPM) from a computer, tablet or mobile device. A VPM is a free live presentation or webinar over the internet. Once registered, participants will receive a confirmation email containing information about joining the meeting online. Please note, Internet Explorer cannot be used to register or attend this webinar. If joining online, please allow adequate time to log in to view the presentation in its entirety.
- **Phone Option (Listen Only):** Participants may join the meeting in listen-only mode by dialing 562-247-8321 and entering the passcode 557-860-742 when prompted.
- **In-Person Open House Option:** Participants may attend in person by going to the Rosen Event Center, 11184 S. Apopka Vineland Road, Orlando, FL 32836 anytime between time 5 p.m. and time 7 p.m. to view a looping presentation and project displays, speak with project team members, and submit comments or questions. If attending in person, please remember to follow all safety and sanitation guidelines. If you are feeling unwell, please consider attending the meeting virtually or by phone.

All meeting materials, including the presentation, will be available on the project website at I4beyond.com prior to the meeting.

FDOT is sending notices to nearby property owners, business owners, interested persons, and organizations to provide the opportunity to offer comments and express their views regarding this project and the proposed improvements.
