## FUTURE IMPROVEMENTS AT THE COUNTY ROAD (C.R.) 46A AND RINEHART ROAD INTERSECTION

Financial Project Identification (FPID) No.: 242592-6

The purpose of the C.R. 46A (H.E. Thomas Parkway) and Rinehart Road intersection improvement project is to increase traffic efficiency while reducing congestion onto the Interstate 4 (I-4) and C.R. 46A interchange. The proposed enhancements will increase capacity at the intersection by modifying select existing turn lanes and adding new turn lanes. Construction is anticipated to start in fall of 2023.
