EASTBOUND SAND LAKE ROAD (STATE ROAD 482) SIDEWALK DETOUR BEGINNING OCTOBER 12

The Florida Department of Transportation (FDOT) is detouring pedestrian traffic on the eastbound Sand Lake Road sidewalk on Thursday, October 12, and Friday, October 13 between Turkey Lake Road, and International Drive. The detour will begin as soon as 8 a.m. each morning and is expected to be complete as soon as 3 p.m. each afternoon. Beginning 8 a.m. Monday, October 16, pedestrian traffic on the eastbound Sand Lake Road sidewalk between Turkey Lake Road and International Drive will be continuously detoured until early 2024. All pedestrian traffic will be directed to follow the detour signs and use the sidewalk on westbound Sand Lake Road. The detour is necessary to complete utility, drainage, and ramp work. Access to all nearby businesses will remain open.

Closures are subject to change. Construction progress, roadway conditions and weather may require schedule adjustments. Please check fdot.tips/alertsmap for the most up-to-date information.
