# WESTBOUND SAND LAKE ROAD (STATE ROAD 482) SIDEWALK DETOUR

The Florida Department of Transportation (FDOT) is detouring pedestrian traffic on the westbound Sand Lake Road sidewalk between Turkey Lake Road and International Drive as part of the ongoing construction in that area. The detour will begin as soon as 8 a.m. Friday, December 1, will be in place until early 2024. All pedestrian traffic is directed to follow the detour signs and use the sidewalk on eastbound Sand Lake Road in the meantime. The detour is necessary to complete utility, drainage, and ramp work. Access to all nearby businesses will remain open.

Closures are subject to change. Construction progress, roadway conditions and weather may require schedule adjustments. Please check [fdot.tips/alertsmap](https://fdot.tips/alertsmap) for the most up-to-date information.
