Agenda — Past Project Status

- **Past Project Status - FDOT to review past 7 days**
 - Continue traffic pattern on westbound I-4
 - Bridge and roadway work on outside of westbound I-4
 - Westbound Sand Lake Road sidewalk detour
 - Median work on Sand Lake Road
 - Ongoing mowing
- **Committee's Comments & Suggestions**

Agenda — Future Project Status

- **Future Project Status - FDOT to review next 7 days**
 - Pile driving in Area 3
 - Continue traffic pattern on westbound I-4
 - Bridge and roadway work on outside of westbound I-4
 - Westbound Sand Lake Road sidewalk detour
 - Median work on Sand Lake Road
 - Ongoing mowing
- **Committee's Comments & Suggestions**

Agenda — Future Project Status

- **Future Project Status — FDOT to review next 14 – 21 days**
 - Westbound Sand Lake Road safety diversion
 - Westbound Sand Lake Road sidewalk detour
 - Pile driving to continue
- **Committee's Comments & Suggestions**

Agenda — Cleanliness Review

- **Cleanliness Review**
 - Committee's observations over past 7 days
- **Condition Review**
 - Committee's observations over past 7 days
(fencing, wraps, barricades, temporary signage)

Agenda — Old Business

- **Public Input or Comments**
 - None
- **Commitments Update**
 - Fencing and screening
 - Banners
 - Mowing and cleaning
 - Clean Team
 - Ponds

I-DRIVE CONCIERGE DAILY UPDATE

November 28, 2023

The purpose of this email is to give International Drive businesses important daily updates on construction progress for the Interstate 4 (I-4) interchanges at Sand Lake Road (S.R. 482), Daryl Carter Parkway, and Apopka Vineland Road (S.R. 535).

Anticipated Work

I-4 Beyond South

Continuous sidewalk closure on EB Sand Lake Road from Turkey Lake Road to International Drive. Detour Map	Beginning Oct 16, 2023 at 8 AM
Intermittent nightly lane closure on WB Central Fla Pkwy from Westwood Blvd to Palm Pkwy	1 left lane closed Nov 30 to Dec 30 Roadwork.
Continuous ramp closure on WB I-4 from WB Central Florida Pkwy. Detour Map	Beginning Nov 09, 2023 at 8 PM
Intermittent nightly ramp closure on WB I-4 from EB WB Central Florida Parkway	Nov 28 – Dec 01 8 PM – 6:30 AM

Safety Message Editorial Calendar

- Timely safety messages
- Weekly or biweekly

Safety Minute

Proper Tire Maintenance

Proper tire maintenance is essential for safety and reducing the cost of operating a vehicle. Whether you're getting ready for a road trip or just performing routine maintenance on your vehicle, here are five tire maintenance tips for safety and savings:

- **Tire Pressure** — Check the pressure of all tires, including your spare, at least once a month.
- **Tire Tread** — Check your tire's tread at least once a month. Place a penny in the tread with Lincoln's head upside down and facing you. If you can see the top of Lincoln's head, replace your tires.
- **Balance and Alignment** — Balance ensures your wheels rotate properly and don't cause the vehicle to shake or vibrate. Alignment maximizes the life of your tires and prevents your car from veering to either side.
- **Tire Rotation** — Rotating your tires can help reduce irregular wear, which helps tires last longer and maintain fuel efficiency.
- **Tire Size** — Purchase tires that are the same size as the vehicle's original tires or a size recommended by the vehicle manufacturer.

Poor tire maintenance can lead to a crash caused by a flat tire, blowout, or the tread coming off your tire. On the other hand, proper tire inflation can save you 11 cents per gallon on fuel and can extend the average life of a tire by 4,700 miles.

The seamless implementation of this project and a positive experience for area businesses, guests, and residents is our highest priority. For questions on these improvement updates, please call 321-988-9375 or email info@I4Beyond.com.
