Dear Government Official:

The Florida Department of Transportation (FDOT) invites you to a public meeting regarding project plans on the Interstate 4 (I-4) and Sand Lake Road (State Road (S.R.) 482) interchange project (FPID No. 444315-1); the I-4 and Daryl Carter Parkway interchange improvement project (FPID No. 441113-1); and extensions to I-4 Express (FPID No. 444315-3) in southern Orange County on Wednesday, March 6, and Thursday, March 7, from 5 p.m. to 7 p.m. The virtual public meeting will take place March 6 and the in-person meeting will be held March 7.

The purpose of these projects is to provide operational and safety improvements to the I-4 corridor at these consecutive interchanges in southern Orange County and to extend I-4 Express from the existing express lanes near Kirkman Road to west of S.R. 536. Additional details are available in the attached project information handouts. The public meeting is being held to present information and receive community feedback.

FDOT encourages community involvement and is offering this public meeting in person and virtually to provide more ways to participate. All attendees, regardless of which platform they choose, will receive the same information.
