Interstate 4 (I-4) to State Road (S.R.) 528 (Beachline Expressway) Ramp Widening

Financial Project Identification (FPID) No.: 448915-1

The Florida Department of Transportation (FDOT) is accelerating improvements to I-4, including a project to widen the westbound I-4 ramp to the eastbound Beachline Expressway (Exit 72).

The purpose of this project is to add capacity to the I-4 westbound ramp to eastbound S.R. 528 by widening the ramp from one to two lanes. The project began in January 2024 and is anticipated to reach completion in 2026.
