Traffic Advisory: Eastbound I-4 Entrance Ramp from Sand Lake Road to Close Overnight on March 31

ORANGE COUNTY, Fla. – Motorists are advised that the eastbound Interstate 4 (I-4) entrance ramp from Sand Lake Road (State Road (S.R) 482) will be closed overnight on Monday, March 31 for barrier wall installation. The ramp closure is scheduled to begin as early as 10 p.m. Monday night and is expected to reopen by 5 a.m. the following morning. If this work is not completed as scheduled on March 31, the closure will take place on the night of Tuesday, April 1, and reopen early the morning of Wednesday, April 2.

During the ramp closure, motorists on Sand Lake Road who wish to access eastbound I-4 should head north on Kirkman Road (S.R. 435) and proceed to the eastbound I-4 entrance ramp. Alternatively, motorists can head north on Turkey Lake Road, turn right onto eastbound Hollywood Way, and then turn right onto southbound Universal Boulevard to access eastbound I-4. See the attached map for detailed detour information.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information on the planned improvements on I-4, visit the project website at i4beyond.com/sandlake.
