### **Traffic Advisory: Eastbound I-4 Entrance Ramp from S.R. 535 to Reduce to Single Lane Until Summer 2026**

**ORANGE COUNTY, Fla.** – Motorists are advised that the outside lane on the eastbound Interstate 4 (I-4) entrance ramp from Apopka-Vineland Road (State Road (S.R.) 535) will close as soon as 11 p.m. on Tuesday, April 15, and is expected to remain closed until summer 2026. The inside lane of the ramp will remain open and accessible. The lane closure is necessary to provide a safe route for pedestrians using a temporary sidewalk constructed on the west side of Apopka-Vineland Road during bridge construction on the east side of the roadway.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information on the planned improvements on I-4, visit the project website at [i4beyond.com/sr535](http://i4beyond.com/sr535).
