Traffic Advisory: I-4 Westbound Exit Ramp to Eastbound S.R. 528 to Close Overnight July 13 to 17

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) is implementing nightly closures of the westbound Interstate 4 (I-4) exit ramp to State Road (S.R.) 528 (Beachline Expressway) at Exit 72 beginning Sunday, July 13, through Thursday, July 17.

The closure will begin as early as 10 p.m. each night and is expected to reopen by 6 a.m. the following morning, with the last closure opening on the morning of Friday, July 18.

This closure is necessary for a concrete pour on the bridge, which is a critical step in the project to widen the westbound I-4 exit ramp to eastbound S.R. 528 from one to two lanes. These improvements will improve capacity and traffic flow at this busy interchange. See attached detour map and detour information below.

Motorists traveling west on I-4 who wish to access S.R. 528 will be directed to exit early at Exit 75B to southbound Kirkman Road (S.R. 435), then continue south to Sand Lake Road (S.R. 482), staying in the left lane and turning left onto eastbound Sand Lake Road toward John Young Parkway (S.R. 423). Motorists will then turn right onto southbound John Young Parkway, proceeding to S.R. 528.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at S.R. 528, visit the project website at I4Beyond.com/SR528.

Media inquiries should be directed to the FDOT Public Information Office at FDOT-D5COMM@dot.state.fl.us or by phone at (386) 943-5593.
