Traffic Advisory: Overnight Closure of the Westbound I-4 Exit Ramp to Sand Lake Road (Exit 74A) January 8

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) will implement an overnight closure of the westbound Interstate 4 (I-4) exit ramp to Sand Lake Road (State Road (S.R.) 482) at Exit 74A starting as early as 10 p.m. Thursday night, January 8, through 6 a.m. on Friday morning, January 9.

See attached detour map and information below.

During the closure, motorists traveling westbound on I-4 who wish to access Sand Lake Road should take Exit 74B onto northbound Adventure Way. From there, motorists can either:

- Turn left onto westbound Hollywood Way, then turn left again onto southbound Turkey Lake Road and proceed to Sand Lake Road west of I-4.
- Turn right onto eastbound Hollywood Way, then turn right again onto southbound Universal Boulevard and proceed to Sand Lake Road east of I-4.

This closure is necessary to facilitate paving operations as part of the ongoing improvement project to reconstruct the I-4 and Sand Lake Road interchange into a diverging diamond interchange (DDI). For more information about the I-4 improvements at Sand Lake Road, visit the project website at I4Beyond.com/SandLake.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

Media inquiries should be directed to the FDOT Public Information Office at FDOT-D5COMM@dot.state.fl.us or by phone at (386) 943-5593.
