## Traffic Advisory: Overnight Closures of Eastbound I-4 Entrance Ramp from Northbound Apopka-Vineland Road June 21–25

**ORANGE COUNTY, Fla.** – Motorists are advised that the Florida Department of Transportation (FDOT) will implement overnight closures of the eastbound Interstate 4 (I-4) entrance ramp from northbound Apopka-Vineland Road (State Road (S.R.) 535) from Sunday, June 21, through Thursday, June 25. The closures will begin as early as 10 p.m. each night and are expected to end by 6 a.m. the following morning, with the final closure ending the morning of Friday, June 26.

These closures are necessary for crews to complete paving and widening work to lengthen the eastbound I-4 entrance ramp from northbound Apopka-Vineland Road.

See the detour information below and the attached detour map.

### Eastbound I-4 entrance ramp from northbound Apopka-Vineland Road detour (south of I-4):

From northbound Apopka-Vineland Road south of I-4, motorists will turn right onto eastbound Vineland Avenue and proceed east toward International Drive. From there, turn left onto International Drive, then turn left again onto Daryl Carter Parkway. From there, turn right onto the eastbound I-4 entrance ramp.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at Apopka-Vineland Road, visit the project website at [I4Beyond.com/SR535](http://I4Beyond.com/SR535).

Media inquiries should be directed to the FDOT Public Information Office at [FDOT-D5COMM@dot.state.fl.us](mailto:FDOT-D5COMM@dot.state.fl.us) or by phone at (386) 943-5593.
