Traffic Advisory: Overnight Closures of Eastbound I-4 Entrance Ramp from Northbound Apopka-Vineland Road June 7-11

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) is implementing overnight closures of the eastbound Interstate 4 (I-4) entrance ramp from northbound Apopka-Vineland Road (State Road (S.R.) 535) starting Sunday, June 7, through Thursday, June 11. The closures will begin as early as 10 p.m. each night and are expected to end by 6 a.m. the following morning, with the final closures ending the morning of Friday, June 12.

These closures are necessary to shift eastbound I-4 traffic closer to the median as part of the work to lengthen the eastbound I-4 entrance ramp from northbound Apopka-Vineland Road.

See detour information below and attached detour maps.

Eastbound I-4 entrance ramp from northbound Apopka-Vineland Road detour (south of I-4):

From northbound Apopka-Vineland Road south of I-4, motorists will turn right onto eastbound Vineland Avenue and proceed east toward International Drive. From there, turn left onto International Drive, then turn left again onto Daryl Carter Parkway. From there, turn right onto the eastbound I-4 entrance ramp.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at Apopka-Vineland Road, visit the project website at I4Beyond.com/SR535.

Media inquiries should be directed to the FDOT Public Information Office at FDOT-D5COMM@dot.state.fl.us or by phone at (386) 943-5593.
