Traffic Advisory: Overnight Closures of Eastbound I-4 Entrance Ramps from Apopka-Vineland Road August 9-13

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) will implement overnight closures of both eastbound Interstate 4 (I-4) entrance ramps from Apopka-Vineland Road (State Road (S.R.) 535) from Sunday, August 9, through Thursday, August 13. The closures will begin as early as 10 p.m. each night and are expected to end by 6 a.m. each morning, with the final closures ending the morning of Friday, August 14.

These closures are necessary for paving work to lengthen the eastbound I-4 entrance ramp from northbound Apopka-Vineland Road.

See detour information below and attached detour maps.

Eastbound I-4 entrance ramp from northbound Apopka-Vineland Road detour:

From northbound Apopka-Vineland Road, motorists will turn right onto eastbound Vineland Avenue toward International Drive. They will then turn left onto International Drive, then left again onto Daryl Carter Parkway. From there, drivers will turn right onto the eastbound I-4 entrance ramp.

Eastbound I-4 entrance ramp from southbound Apopka-Vineland Road detour:

From southbound Apopka-Vineland Road, motorists will continue south past the I-4 interchange, then turn right onto westbound World Center Drive (S.R. 536). From there, drivers will take the entrance ramp on the right to eastbound I-4.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at Apopka-Vineland Road, visit the project website at I4Beyond.com/SR535.

Media inquiries should be directed to the FDOT Public Information Office at FDOT-D5COMM@dot.state.fl.us or by phone at (386) 943-5593.
