Traffic Advisory: Overnight Closures of Eastbound I-4 Entrance Ramps from Apopka-Vineland Road June 15 and 16

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) will implement overnight closures of both eastbound Interstate 4 (I-4) entrance ramps from Apopka-Vineland Road (State Road (S.R.) 535) on Monday, June 15, and Tuesday, June 16. The closures will begin as early as 10 p.m. each night and are expected to end by 6 a.m. the following morning, with the final closures ending on the morning of Wednesday, June 17.

These closures are necessary for crews to complete milling, resurfacing, and widening work to help lengthen the eastbound I-4 entrance ramp from northbound Apopka-Vineland Road.

See detour information below and attached detour maps.

Eastbound I-4 entrance ramp from northbound Apopka-Vineland Road detour (south of I-4):

From northbound Apopka-Vineland Road south of I-4, motorists will turn right onto eastbound Vineland Avenue and proceed east toward International Drive. From there, turn left onto International Drive, then turn left again onto Daryl Carter Parkway. From there, turn right onto the eastbound I-4 entrance ramp.

Eastbound I-4 entrance ramp from southbound Apopka-Vineland Road detour:

From southbound Apopka-Vineland Road, motorists will continue south, then turn right onto World Center Drive (S.R. 536). From there, take the entrance ramp on the right to eastbound I-4.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at Apopka-Vineland Road, visit the project website at I4Beyond.com/SR535.

Media inquiries should be directed to the FDOT Public Information Office at FDOT-D5COMM@dot.state.fl.us or by phone at (386) 943-5593.
