Traffic Advisory: Overnight Closures of Eastbound I-4 Entrance Ramps from Apopka-Vineland Road May 26-29

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) is implementing overnight closures of both eastbound Interstate 4 (I-4) entrance ramps from Apopka-Vineland Road (State Road (S.R.) 535) from Tuesday, May 26, through Friday, May 29. The closures will begin as early as 10 p.m. each night and are expected to end by 6 a.m. the following morning, with the final closures ending the morning of Saturday, May 30.

These closures are necessary to shift eastbound I-4 traffic closer to the median as part of the work to lengthen the eastbound I-4 entrance ramp from northbound Apopka-Vineland Road.

See detour information below and attached detour maps.

Eastbound I-4 entrance ramp from northbound Apopka-Vineland Road detour (south of I-4):

From northbound Apopka-Vineland Road south of I-4, motorists will turn right onto eastbound Vineland Avenue and proceed east toward International Drive. From there, turn left onto International Drive, then turn left again onto Daryl Carter Parkway. From there, turn right onto the eastbound I-4 entrance ramp.

Eastbound I-4 entrance ramp from southbound Apopka-Vineland Road detour (north of I-4):

From southbound Apopka-Vineland Road north of I-4, motorists will turn right onto the westbound I-4 entrance ramp. Continue west on I-4 and take Exit 67 to Epcot Center Drive (S.R. 536). From there, take the exit ramp to Buena Vista Drive. Turn left onto westbound Buena Vista Drive and keep right to take the loop ramp to eastbound S.R. 536, then keep right and take the entrance ramp to eastbound I-4.

FDOT advises motorists to follow all posted detour signs. Construction schedules are subject to change due to weather or other unforeseen circumstances.

For more information about the improvements on I-4 at Apopka-Vineland Road, visit the project website at I4Beyond.com/SR535.
