Traffic Advisory: Overnight Closures of Sand Lake Road Under I-4 February 4 and 5

ORANGE COUNTY, Fla. – Motorists are advised that the Florida Department of Transportation (FDOT) is implementing overnight closures of Sand Lake Road (State Road (S.R.) 482) under Interstate 4 (I-4) Wednesday, February 4, and Thursday, February 5. The closures will begin as early as 1:30 a.m. and will reopen by 6 a.m. the same morning.

On February 4 and 5, crews will close all lanes of Sand Lake Road under I-4. Left-turn movements from Sand Lake Road to the I-4 entrance ramps will be restricted, and motorists exiting I-4 at Sand Lake Road will be limited to right turns only.

These closures are necessary for bridge beam setting over Sand Lake Road as part of the improvements to the I-4 and Sand Lake Road interchange.

See detour information below and attached detour map.

Detour from Sand Lake Road (West of I-4):

Turn right onto westbound I-4, then take Exit 72 onto eastbound S.R. 528 (Beachline Expressway). From there, take Exit 1 to International Drive, bearing right on the ramp to head north. From northbound International Drive:

- Motorists can return to Sand Lake Road by continuing north on International Drive.
- Motorists can access eastbound I-4 by taking westbound S.R. 528 to the I-4 entrance ramp.

Detour from Sand Lake Road (East of I-4):

Turn right onto northbound International Drive, then turn left onto northbound Universal Boulevard. From northbound Universal Boulevard:

- Motorists can return to Sand Lake Road by turning left onto westbound Hollywood Way and left again onto southbound Turkey Lake Road.
- Motorists can access eastbound I-4 by turning right onto the I-4 entrance ramp.
- Motorists can access westbound I-4 by turning right onto eastbound Tom Williams Way, then turning right again onto southbound Kirkman Road (S.R. 435) and proceeding to the westbound I-4 entrance ramp.
